## BEAUTY OILS

- A ready-made solution for daily care.
- Created to preserve the beauty and health of the skin, hair, nails, eyelashes and make positive psychoemotional effect.
- Water-free formulation allows to leave out potentially toxic synthetic preservatives.
- They have protective, antioxidant and tonic effects.

**As an active ingredient we always use an essential oil,** which properties make targeted and harmonious work on a certain cosmetic task possible.

# FEATURES OF BOTAVIKOS BEAUTY AND EMOTIONAL OILS

100% natural  
Ingredients

## Effects:

- protective
- antioxidant
- tonic

High concentration of  
essential oil

Aromatherapy effect

Natural refined  
monoaromas

## INGREDIENTS WE USE

The action of an essential oil is supported by a complex of two or three base vegetable oils: macadamia, sunflower seed, safflower, hazelnut, pomegranate, black currant, burdock or castor.

A combination of these oils is also determined by the functional purpose of the product and provides comprehensive skin and hair care.

**Pomegranate** has moisturizing, protecting and nourishing properties. Contains high amount of fatty acids, promotes collagen synthesis, acts as a trap for free radicals. Contributes to damaged skin cell regeneration. Prevents the appearance of wrinkles, improves skin elasticity and turgor, improves complexion.

**St. John's wort** is a powerful antioxidant. It is perfect for problem, oily and mixed dehydrated skin treatment, prevents moisture loss, normalizes the skin hydrolipid layer.

**Castor** oil has been popular for a long time as a remedy for hair, eyelashes, eyebrows care. Suitable for skin care and nutrition.

**Hazelnut** nourishes, restores the water-lipid barrier. Evens and tones the skin.

**Macadamia** eliminates irritation, flaking. Restores the softness and tenderness of the skin. Rich in palmitoleic acid, a monounsaturated acid helping to restore the skin, especially aging one. Has antioxidant effect, preventing cell membrane destruction.

**Burdock** restores scalp metabolism, nourishes and strengthens hair roots and structure, accelerates hair growth, stops hair loss, restores weak and damaged hair structure.

**Safflower** is rich in vitamins K and E, has a high moisture-retaining and moisture-regulating ability and is well absorbed by any type of skin.

**Sunflower seeds** have antioxidant, antiseptic, nourishing, moisturizing, emollient properties. Rich in many beneficial elements as well as vitamins A, D and E, improves blood circulation, promotes scar resorption. Softens the skin, smoothes deep wrinkles. Perfect for hair treatment, particularly beneficial for brittle, dry, dehydrated hair.

**Blackcurrant** has regenerating, moisturizing and smoothing properties. Maintains skin elasticity due to the presence of vitamin C, promotes collagen synthesis. Restores the skin barrier function.

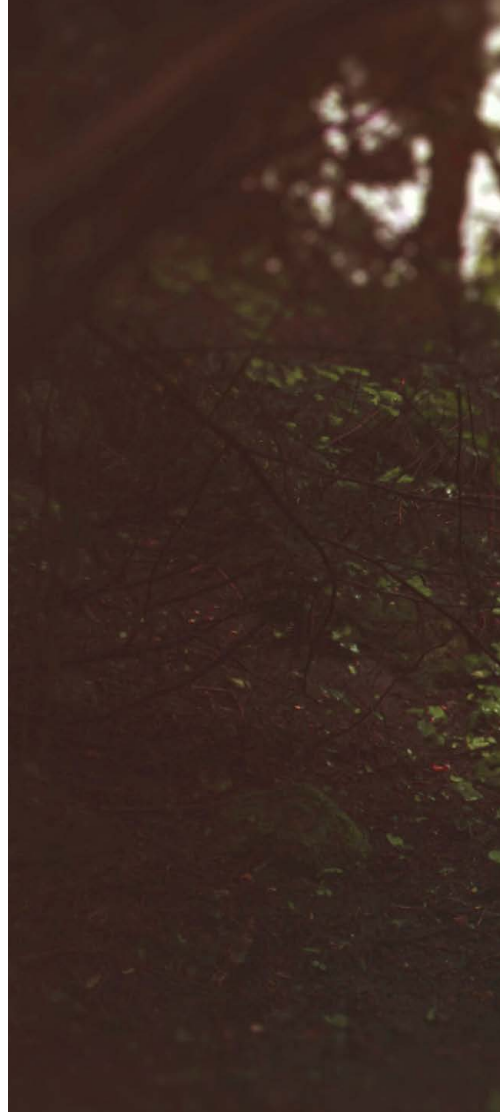

## BOTAVIKOS BEAUTY OILS

Cosmetic oils with a soft texture and delicate aromas, created with taking the unique properties of essential oils into account and aimed to address the issues typical of hair, facial and body skin:

- mimic wrinkles,
- acne,
- oily sheen,
- dull complexion,
- uneven tan,
- age spots,
- insufficient moisturizing,
- poorly reabsorbed bruises and scars,
- weak and brittle hair,
- dandruff and much more.

and much more.

## «BAY OIL»

Eyelashes and eyebrows  
strengthening  
and growth oil

Active vegetable oils in the formula – burdock, castor and macadamia – restore the damaged hair structure after using decorative cosmetics, and protect against adverse external influences. Nourishes hair follicles and activates the growth of eyelashes and eyebrows.

### RESULT

Long, lush and thick eyelashes, beautiful and natural eyebrows.

30 ml 1,01 fl.Oz  
Shelf life 2 years

**COSMETIC CARE:** Bay essential oil is obtained from the namesake tropical tree leaves; it is indispensable for restoring natural care for eyebrows and eyelashes. It enhances metabolism of hair follicles, prevents hair loss, and stimulates their growth with regular use. Burdock, castor and macadamia carrier oils are active in the formula. They restore damaged hair structure after using decorative cosmetics and protect them from external influences. Carrier oils also provide nutrition to hair follicles and stimulate the growth of eyelashes and eyebrows.

**AROMATHERAPY EFFECT:** bay essential oil has a complex aroma with fresh spicy top note and sweet hot aftertaste, it warms, puts in a good mood, helps during the periods of overwork, and boosts immunity.

**Directions:**

for best results it is recommended to apply the cosmetic oil daily on eyebrows and eyelashes after removing makeup. Light massage movements with the fingertips in eyebrow area enhance the effect of the cosmetic product.

## BOTAVIKOS BEAUTY OILS — FACIAL CARE

Strengthening, growth

## EMOTIONAL OILS — PSYCHOEMOTIONAL EFFECTS

A small aromatherapy collection, the active ingredients of which are selected with taking the psychoemotional effect of essential oils into account. Some of them are able to calm, reduce stress, tune in to relaxation, meditation, harmony, and the other ones, on the contrary, makes you toned and focused. We recommend using Emotional Oils for aroma massage, as body oils or ready-made fragrant bath mixtures.

Botavikos Emotional Oils can be applied to bioenergetic points - temples, wrists, glabellar space.

Beauty Essentials Oils represent a full range of oils for daily beauty rituals aimed at protection, maximum hydration, complex nutrition and deep recovery, rejuvenation and skin toning.
